

REMEDATION AND REDEVELOPMENT DIVISION PERFECTED LIEN LIST

The Michigan Department of Environmental Quality (MDEQ), Remediation and Redevelopment Division (RRD) has perfected liens¹ on property pursuant to Section 20138 of Part 201, Environmental Remediation, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA), MCL 324.20101 *et seq.*

The following is a current listing of liens perfected by the RRD on property as of the date that appears on this list. The list will be updated **only** when the RRD has perfected a new lien on a property, or has released a lien from a property. A new date will then appear on the list. *This list does not include any lien(s) that may have been perfected by another MDEQ Division or other entity.* For lien information related to the Waste and Hazardous Materials Division or the Office of Geological Survey, please call 517-335-2690 or 517-241-1515 respectively.

The information provided herein cannot be construed or interpreted as legal verification that a perfected lien does not exist on a particular property, or that an RRD lien is the only perfected lien on a property. To obtain legal verification, you must access official records from the appropriate County Register of Deeds and/or the Michigan Secretary of State when applicable.

¹ Liens that have been recorded with the County Register of Deeds Office where the property is located.
